ABOUT US

Gone are those Days, when we celebrated Deepavali with Ground Chakkars, Flower Pots, Sparklers etc..... Now, people are mainly interested in aerial varieties for their fanciful colours and patterns. The moment one thinks about fancy fireworks, the name "SONNY - VINAYAGA" sparkles into his mind.

Established in Thiruthangal & Sivakasi, an hour drive from Madurai Airport, Vinayaga Fireworks Industries, was started by Mr. P Panjurajan during 1982 with 12 manufacturing sheds in Keela Thiruthangal Village, Virudhunagar District, Tamilnadu. He is the Chairman of the group, the winner of numerous Awards & Honours. His enduring Hard Work boosted by two of his Masterly Sons, Dr.P.Karvannan and Dr.P.Ganesan, the company was then ready for its take off.

When our peer manufacturers were involved in manufacture of conventional fireworks like Chakkars, Flower Pots, Rockets etc....., Sonny Fireworks (P) Ltd., a sister concern unit of Vinayaga Fireworks Industries set foot into the fireworks industry during 1993, by introducing fancy aerial fireworks. This was not merely attracting people but a Redefinition to the Fireworks Industry brought by Sonny Vinayaga Fireworks group.

We have now widened out horizon with 14 fireworks manufacturing factories, serving the victuals for 4500 workers. All the workers are frequently trained with the updated quality and safety manufacturing modes of fireworks. Regular workshops, group discussions and seminars are conducted in the factories to refresh the technical knowledge of the workers.

All the factories are being managed by licensed foremen, assisted by qualified supervisors and experienced assistants. Daily production samples from all the factories are tested for their performance & quality, before packaging and dispatch.

SONNY

An ISO 9001:2008 Certified Company

In addition to the conventional fireworks items like Sparklers, Chorsa Crackers, Flower Pots, Chakkars, Roman Candles, the company has an extraordinary outcome of more than 450 fancy aerial varieties. Serpent Eggs, Ring Caps and Confetti are the unique products of the company.

With the fireworks industry as the basement, the company now turned its attention to Corrugated Carton Box manufacturing unit, Garments Trading Activity and Granite Quarrying Operations. The corrugated carton box unit feeds the daily requirement of all these 14 factories. Showrooms for Ladies & Gents Readymade Garments are available in Sivakasi, Tuticorin & Tirunelveli. Rough Granite Blocks are excavated in Pudukottai Village of Virudhunagar District (T.N.), Chamrajnagar Taluk in Karnataka and also in Madagascar.

The company has its warehouse in Durban - South Africa and in Liuyang - China. Fireworks from both India & China are being supplied to South Africa, since it has a wide spread marketing support in South Africa.

Contrary to the popular belief, Fireworks Display is not an easy job. It requires Skill, Expertise and Attention to detail. The company proved its worthiness by organising various spectacular fireworks show both in Domestic and Overseas.

The company always strive hard for its workers' welfare. The Outcome of this thought was PANJURAJAN - AMARAVATHY TRUST & PANJURAJAN AMARAVATHY EDUCATIONAL TRUST.

Glory Matriculation Higher Secondary School in Thiruthangal is managed by Panjuarajan Amaravathy Trust. This offers quality education to nearby village students. All extracurricular activities and bus facilities are provided to the students at free of cost.

AAA College of Engineering & Technology commenced in 2013 – 14 provides State of art laboratories and highly qualified Faculty members. Placements and Scholarships provided by us to the students have paved way for emergence of Quality of Engineers from Sivakasi and proximate places.

AAA International School (CBSE) commenced in the academic year 2013-14 is managed by Panjuarajan - Amaravathy Educational Trust. Quality Education for the Holistic development of the Children is our ultimate motto.

Having established with Employability in Fireworks industry, School and College Education to the Children, we are now thoughtful in providing employment to Deserving Educated Youth of Sivakasi which has led to the establishment of AAA Techno Park (P) Limited in 2020.

When the performance is illuminating, Awards are bound to show up. Games, Festivals, Celebrations... whatever the event be, there will be an Award waiting for us!! Some of the prestigious awards won by Sony - Vinayaga Fireworks include....
